Hello Brothers,

A big thank you to all who have renewed their memberships. We only lost one Brother to the NPD list. Thanks for contacting those on the list to remind them. Perpetual membership is always available in lump sum, multiple payments or credit card. And as always, let me know when you change address, phone or Email. A note to knithorn@knology.net will do.

Fraternally,

FELLOWSHIP

Our web site is continually upgraded and contains more information than ever. You can access it at: www.pythagoras358.org
If you have suggestions, leave a message on the board.

WM Robinson wants to continue the Family Night each first meeting. JW Robby is now in charge of the meals and enjoys the able assistance of Bros Purchase and Greco. The meat dish will continue to be provided by the Lodge. Please continue to bring a covered dish to complement the meal if you can. For those who are not able, a donation to defray expenses is always welcome

Don't forget Coffee each Tuesday morning. Breakfast last month was well received. Breakfast will continue to be offered the second Tuesday of each month as long as interest continues.

FROM THE EAST

As I thought about what to write in my first Trestleboard as Worshipful Master I remembered a quote I had once read. President Harry S. Truman said of Freemasonry "We represent a fraternity which believes in justice and truth and honorable action in your community. Men who are endeavoring to be better citizens and to make a great country greater. This is the only institution in the world where we can meet on the level with all sorts of people who want to live uprightly."

Justice, Truth and Honorable actions do indeed make a great country greater. Our goal as masons in 2011 should be to make our community, our great community even greater by applying the tenets of our noble institution.

Together we can make a difference in our community, and in our nation. Together lets seek Justice, truth and insure that all our actions are indeed honorable as we travel an illuminated toward 2012.

WM Dave Robinson

FROM THE SOUTH

When The Last Stone Is Laid

Today we are called to labor by the G.A.O.T.U. but unlike other projects where one can tell in what state of finish the structure is in. We have been called to work upon a structure that we know not when it will be complete.

Will the last stone laid be by our hands in our senior years? Will our labor end this year or in ten? Perhaps today the G.A.O.T.U. will call us from labor to refreshment. Perhaps today, for us, the last stone will be laid. It is for this reason that we are taught early on to rightly divide our time. To make good and proper use of each day, each hour.

The Holy Scriptures tell us that our life is "like a vapor" here one moment and gone the next. The stones that we lay today, the action or non action we take today will be inspected by none other than that of the G.A.O.T.U

It may be that the stone we are called to lay this day could be the keystone to another's archway. Failure on our part to lay this stone, this keystone would mean the archway of life for another could collapse.

When our last stone has been laid let it be said of us that we labored as men and Masons obeying our tenets and keeping our charges true.

Rev. Fr. Robby Entekin, Junior Warden
