### WELCOME TO THE PYTHAGORAS WEB SITE

Worshipful Kevin has been working on a web site for the lodge. It is now available at [www.pythagoras358.org](http://www.pythagoras358.org). If you go to that site and subscribe you will get an e-mail message any time something new is added to the site. The Trestleboard will also be there. Also please continue to send your e-mail addresses to Worshipful Ken so we can begin to send you the Trestleboard via e-mail. The more we can send by e-mail the less we will spend on printing and postage.

## FELLOWSHIP

Each Tuesday morning from 8 AM to about 10 AM the brethren gather for coffee and fellowship. There is really no set time, show up at your leisure. Come on out to the lodge to meet and greet your friends and brothers. This is not restricted to Masons only. Bring your neighbor or a friend who may be interested in Masonry. We hope to rekindle the interest of past members and perhaps encourage new.

You may also notice some really great improvements in the outside of the lodge building. The rear "emergency exit" door has been upgraded with a new deck, railing and steps. A more attractive fence has been built on the south side of the building and tire stops have been installed to define parking spaces. Please park only at the defined spaces so your vehicle will not block the drive from the street to the rear parking lot. The improvements to the rear parking lot have given us a much greater parking area there. These improvements have been made thru the courtesy of the brothers who meet for coffee on Tuesdays. Stop by, give them a pat on the back and ask how you may be able to help with lodge improvements. All assistance is gratefully accepted and very much appreciated.

## FROM THE SECRETARY

Hello Brethren,

I am still putting the Email list together. You can Email me at [knjthorn/@knology.net](mailto:knjthorn/@knology.net). We currently have 31 brothers receiving the Trestleboard by e-mail. Help us control publishing and mailing costs by forwarding your e-mail address.

Thank you.

Ken T., Secretary

## FROM THE WEST

My brothers, the membership in our brotherhood continues to shrink as well as the membership in the Scottish and York rites and the Shrine. Our Lodge is maintaining our numbers but many of our new EAs do not reach the Degree of Master Mason. If you have sponsored an EA who has not returned for advanced degrees please attempt to find out why he has not continued. Then pass the information on so we may answer those concerns. Also, continue to recommend good gentlemen to the Craft. Do not allow Pythagoras to walk that level.....

Bro. Dale, SW

## FROM THE EAST

Brethren,

Spring is in the air and from the looks of things around the lodge we are ready for the fresh new start that this time of year graciously affords. Please join me by continuing to thank all those who have donated their time and worked so hard to make our lodge a place of beauty and a true home away from home.

We also need to thank the coffee club and Brothers Hancock, Austin, & Greco for acquiring the huge smoker that has taken up residence out back. This acquisition will put us firmly on the map with respect to fund raising, for years to come. Also I have heard the smoker will be fired up soon to produce another round of great tasting butts. Stop in at the next Tuesday Coffee club fellowship to hear the details. Or call Brothers Bill Purchase, Hugh Greco or Gordon Hancock for information and tickets.

If you have not attended lodge in a while why not let the spring season usher you back. I guarantee that you will be pleasantly surprised by what you might find. Also, don't forget about our weekly study sessions on Tuesday nights. We have quite a few new brothers that need help with their catechisms. Assisting on Tuesday nights is a great way to honor your obligation and form bonds while getting to know a new brother.

Sincerely & Fraternaly,  
David M Robinson WM

## FROM THE SOUTH

### **The High, The Low, The Rich and The Poor.**

Our grand institution has a strict set of criteria and review in order for one to gain admittance. After being welcomed into the family of Freemasonry we are then tasked to live up to the charges and obligations we received and took upon ourselves.

While membership may be in some case exclusive our charges and duties are not. All mankind and the whole human race are words we should each review anew.

The Brotherly Love we are directed to share with the human race is needed now more than ever. We are told in the sacred scripture that a time will come "when the love of many will grow cold."

Let not the G.A.O.T.U. find us laboring without the tool of Brotherly love. Let the house we build not be built in vain, for to relieve the distressed is as we are taught "incumbent on all mankind, but particularly upon Masons."

Social clubs are found in every town or village and have there just place. But to answer so great a call as the one by which we have been called it takes a lodge of Men and Masons.

So who do we love? Who do we care for? Who are the distressed that we as Masons are called to respond to? Simple, they are the high, the low, the rich and the poor.

Rev. Fr. Robby Entrekin  
All Saints Chapel  
Panama City Fl.

"Keep your eyes on the crucifix, for Jesus without the cross is a man without a mission, and the cross without Jesus is a burden without a reliever."
